

**DIRECTIONS TO THE PUTNAM COUNTY SOCCER COMPLEX**

Traveling east on I-40, take exit 288, turn left onto Highway 111. Travel about 2 or 3 miles and take the 2nd exit, 10th Street. Turn left, go under Highway 111. There are two routes you can take. One is to stay on 10th until you reach the Washington Avenue intersection. Turn right onto Washington Avenue, cross the railroad tracks and continue past Cookeville High School (on the right). Continue a short distance until you reach Whiteker Springs Road. Turn right and continue on Whiteker Springs Road for a short distance. Turn right through the double chain link fence into the complex onto the old airport runway and continue down the runway to its end. Park anywhere on the right or left, the fields are on the right and left.

A second route is once you've turned onto 10th from Highway 111, continue on 10th until you reach Fisk Avenue, (Bank of Putnam County on right). Turn right onto Fisk Avenue and go about 1.5 miles. Turn left onto Whiteker Springs Road. Go a short distance and turn left into the complex onto the old runway. Continue down the runway to its end.
